

We gather as sisters around the tables, where we find encouragement, support, and acceptance. We also discover sisters who will pray with us and learn ways we can become advocates of justice for all God's children. And as we come together at the Lord's Table, we pray for all to experience God's grace, healing, peace, love, and forgiveness.

Visit www.flwelca.com for more information.
Registration information will be available in early summer 2019.
