

MISSION STATEMENT

CALM – Crisis Aid for Littles and Moms- offers single mothers and their children in crisis, such as homelessness, the opportunity to find stability and consistency, by teaching life skills to end the cycle of generational poverty.

An unsheltered homeless person is someone who lives in a place that is not meant for human habitation.

CALM Organization Inc. stands ready to serve moms and children in crisis by showing the love of God in action.

We will accomplish this by being the “hands and feet of Jesus” to those he has entrusted in our care. We will “love them like Jesus does”.
